BIG DERBY
New Season 90/91

**Sydney Croatia
vs
South Melbourne
Hellas**

November 11th 1990, 7 p.m.

WELCOME

South Melbourne Hellas

This week we welcome leaders of National Soccer League of Australia to Croatian Sports Centre.

South Melbourne Hellas is the only undefeated team in the League, coached by legendary Ferenc Puskas.

Last week they defeated Sydney Olympic at home 2:0 and replaced Melbourne Croatia at the top of the ladder, with eight points from 5 games.

Hellas who finished last year second and have won National League Cup, have retained all the players from last season in contrast to our team which is completely new.

Players to watch from Hellas in this game: Paul Wade, Mike Petersen midfield artist, Paul Trimboli, Peter Tsolakis and Kim Taliadoros, most respected attacker in the League.

On the other hand Sydney Croatia line up will not have any changes from the team which won against Wollongong Macedonia 2:1 and ended their unbeaten run of 25 matches:- Manis Lamond and Gordon Scott who suffered injuries last week are on the mend and will take their places in the starting lineup. Interesting duels will be between Postecoglu and Lamond, Petkovic and Petersen in midfield.

Both teams play similar soccer and their style should provide plenty of excitement as both coaches Ferenc Puskas and Tony Vrzina like to employ and concentrate on fast open style of the game, as both teams possess fast front line, Hellas twin strikers Peter Tsolakis, Kim Taliadoros and Croatia's Manis Lamond.

**Our next home game is at
2/12/90 against
Apia Leichhardt**

CROATIAN SPORTS CENTRE

Dear members, supporters and friends of Croatia-Sydney!

We have great pleasure in announcing that the building of the grandstand at the Croatian Sports Centre is in full swing. As you are probably aware work is being carried out on the far side of the field where our new grandstand will be erected. Momentarily work is being done on the retaining walls.

HOW CAN YOU HELP?

Grandstand seats are being sold at \$500 per seat, for those who wish to watch Croatia-Sydney's soccer games from a comfortable and elevated position. Donations can be also made.

We hope that you will understand the importance and urgency of this project. The pressure from the National Soccer League is still on and we must complete the grandstand by the end of the 1990/1991 season. This includes the roofing of the grandstand as the major requisite.

Help the Croatian Sports Centre and you will be helping yourselves!!!
